

McCALL FIRE PROTECTION DISTRICT

JOIN OUR TEAM!

The McCall Fire Protection District is accepting applications for the position of: Lateral Firefighter/Paramedic

About the District

The McCall Fire Protection District is an "All Hazard" district, responding to the needs of the community, regardless of the nature of the incident, and initiating the process of solving the problem to lead to a positive outcome. Firefighters perform Structural Firefighting, Vehicle Extrication, Summer and Winter Back Country Rescue, Swift Water and Ice Rescue, and Wildland Firefighting. The District is a transporting ALS provider. Its jurisdictional boundary incorporates the City of McCall and is approximately 100 square miles. The District is managed by a Fire Chief and a 3-member Board of Commissioners.

The McCall Fire Protection District has 1-staffed station. Employing 12 full-time firefighters, Fire Chief, Deputy Chief, office administrator, and 25 paid-call members.

The Position

Under the supervision of the Fire Captain, the Firefighter/Paramedic shall provide the highest possible level of fire, rescue, and pre-hospital emergency medical service (EMS) functions, perform fire suppression, emergency services education, emergency medical and rescue services per certification, hazardous materials mitigation, and required duties as related to the fire service within the community, locally, and statewide.

Additionally, participate in the daily activities to ensure efficient operation. Must be dedicated to integrity, team work, and excellence.
